

**Type of mounting Design**

This is a surface-mounted luminaire.

**Type of mounting Recessed**

This is a recessed luminaire.

**Type of mounting Semi-recessed**

This is a semi-recessed luminaire.

**Type of mounting Pendant**

This is a pendant luminaire.

**Configurable**

This product can be made to measure.

**Drilling diameter**

The drilling diameter in mm.

**Output**

The maximum power consumption in watts.

**Secondary voltage (transformer)**

The operating voltage in volts.

**Secondary current (transformer)**

The operating current in mA.

**Energy class**

The energy efficiency class.
